WORK EXPERIENCE

Logo Designer / Freelancer - Kmong

DEC 2016 - DEC 2019 • Suwon, Republic of Korea

I created logo designs to the client's specifications. I took the client's ideas and turn them into a completed branding design. I was responsible for the whole design process from research, getting ideas and starting with my draft to the final design.

Hair Assistant / Yoon hair

JUL 2015 - MAY 2016 • Melbourne, Australia

My role was to shampoo, dry and dye my client's hair. Sometimes I've done hairstyling with a flat iron. Also, I made latte art with cappuccino, caffe latte and hot chocolate for the clients.

Dress Design Assistant / Rosetta

FEB 2014 - OCT 2014 • Suwon, Republic of Korea

I was responsible for various tasks from taking clothing measurements, ironing, mending and designing using a sewing machine, and stitching beads on cloth.

Esthetician / The Well Dermahtology

SEP 2012 - SEP 2013 • Suwon, Republic of Korea

I was responsible for doing skin care after laser treatment and providing services related to skin appearance such as facial and body skin care to our clients. I used a sonic skin scrubber and ultrasonic skin care machine.

Esthetician / The Mac Plastic Surgery

FEB 2011 - JUN 2012 • Suwon, Republic of Korea

I was responsible for doing skin care after laser treatment and providing services related to skin appearance such as facial and body skin care to our clients. I used a sonic skin scrubber and ultrasonic skin care machine.
